Diocese to move ahead with capital campaign

The Diocese of Hamilton has decided to move forward with a Parish-focused capital campaign after a recent study found support from 83 percent of the respondents. The planning study was conducted from May through June by the Steier Group, a campaign consulting firm, and included more than 900 clergy and lay participants. Under the proposed campaign plan, 75 percent of the funds raised would go to the Parishes for projects of their choosing, 15 percent to diocesan ministries and 10 percent to support Parishes in need. On the diocesan campaign website, www.hamiltondiocese.com/campaign, you can find a letter from Bishop Crosby about the study and the campaign, plus a more detailed summary of the planning study results.

It's Time to Talk about Children and Pornography

Children and teens are seeing pornography on a regular basis on the internet, by the age of 18 almost 90% have watched it at least once, most much more often. Far too many are watching violent and degrading images regularly; many are becoming addicted. The C.W.L. invites all adults to come and learn more about the impact of pornography on children and how you can ensure their protection. Over 18 is a documentary that looks factually at the issue. (View the trailer at www.over18doc.com/) Over 18 will be shown at Sacred Heart Parish (20 Peter St., Mildmay) on Tuesday, Oct. 2nd at 7:00, following Mass at 6:30 P.M. The mature content (be assured there are no graphic visuals) means that only those age 18 or over should attend. For more information contact the parish at 519-367-5304.
